Annual Club Christmas

Party20 of us gathered at the Brookside on Lockport Olcott Road in Newfane Dec. 16th.

Apparently everyone else was busy. Or perhaps we just don't have an interest in getting together

anymore. Seems like something we should discuss for the future. Thanks Lion Nate and partner Laurie for your efforts.

Happy January Birthdays

Lion Oscar Vizcarra – Jan. 1st

Lion Mike Kozma – Jan 3rd

Lion Joan Nachtrieb – Jan. 4th

BINGO – the last Bingo at the Gasport Fire hall was held in November. Although most of us won't miss working it, it certainly will leave us with much less funds in our coffers. We will eventually need to work on future fundraising.

Gasport Peace Poster Winners

Each year, millions of students from all over the World embark on an endeavor to win the Peace Poster Contest for their individual school. The contest is open to students who attain the ages of eleven to thirteen by November 15th. Once a student wins the contest for their area the poster goes onto the State, then that winner is entered into the Lions International Contest.

Not all of the area Clubs participated. Those that did offered up some very interesting concepts on the theme for this year which was “ The Future of Peace”.

Shown in the picture l to r are First place Addison Gerber, 2nd Lillianna Kibbe, 3rd Jackson Webber, They are all art students of Brad Scott of the Roy-Hart School. Thanks to Lions Lorna Burkwit, Amber Bedford and Don Bielicki for helping out.

Each student receives a check and a certificate for the endeavor. Lion Nanc says she does not feel it is so much the talent that is shown, but the fact that the contest makes each student think about Peace.

Sick Call – Lion Dewey Hill had more hernia surgery just before Christmas. Not enough to keep him home tho. Lion Nanc has completed her Chemo treatments and will be looking toward surgery probably in January.

Community Christmas – thanks to all who worked **THIS CLUB PROJECT. (ALL 9 OF YOU!!). 40 FAMILIES WERE HELPED WHICH INCLUDED 108 CHILDREN. ALSO 19 SENIORS. PROJECT HEADED UP BY LIONS DEB AND DEWEY HILL. SURE COULD HAVE USED A LOT MORE HELP!**

New Year's resolution -. Let's work together in 2018 to make this Club great again.
